MEMORANDUM FOR: Chairman, GMAIC

SUBJECT : Proposed Weapons and Space Systems Intelligence Committee (WSSIC)

1. Your proposed charter and LOI for the new WSSIC look like a good beginning to me and I suggest that you get on with clearing them throughout the Community, particularly with DIA. Please keep me advised of the progress being made and of any holdups you may encounter.

2. After you have gotten working level approval on these proposals, we will then pass them formally to the USIB for its approval.
